

The Chiropractic Association of Louisiana

presents

Extremity Extravaganza

December 7-8, 2019

Why Attend this Program ?

Dr. Mally's innovative extremity manipulation programs feature the most complete extremity adjusting training jam-packed with time tested and practice-proven techniques guaranteed to enhance palpation, adjusting skills and speed.

In this fast-paced, high-energy, content-rich presentation, Dr. Mally will feature the anatomy, bio-mechanics, and technique demonstrations, utilizing his authentic "SNIPER-SPECIFIC" techniques.

Attendees will learn the most common Entrapment Neuropathies of the Upper Extremities (Shoulder, Elbow/Wrist/Hand)

Includes "live" demonstrations plus hands on technique training

** Dr. Mally reveals the hidden secrets of shoulder conditions and injuries, plus chronic golfers and tennis elbow, CTS, Ulnar Neuropathy, trigger finger and more.*

What About Mitch Mally?

Dr. Mitch Mally, DC, is a 1981 graduate of Palmer College of Chiropractic. Based in Davenport, Iowa, Dr. Mally is the owner of Tri-Med and Mally Enterprises. Dr. Mally also is the founder of the International Academy of Advance Chiropractic Orthopedics, the Institute for Repetitive Strain Injuries and the Palmer College of Chiropractic's Sports Injury Club. His seminars focus on medically researched extremity adjusting techniques, extremity rehab, clinical nutrition and the "Magnificent 7" extremity conditions. He enjoys martial arts, weight training, international travel, golf and cycling.

Dr. Mally is brilliant, compassionate, generous with his wisdom, and is a true healer and master presenter in every sense of the word. If you have a chance to study with him, don't miss it! --Dennis Perman, DC, Founder of The Masters Circle

Dr. Mitch Mally is one of the most requested speakers for Parker Seminars. He is a master teacher and our attendees laugh, learn and do during his presentations. He is simply the best! --Dr. Fabrizio Mancini, Former President of Parker University

I never miss an opportunity to hear one of Dr. Mally's presentations. He's great to listen to and, I get phenomenal results with his techniques. --Brian Coleman, D.C.
