

The Chiropractic Association of Louisiana
Presents
**Anatomy of a Personal Injury Case from a Legal,
Chiropractic & Medical Perspective**
November 12-13, 2022

About this Program:

Dr. Greg Benton is an emergency room physician. Dr. Benton is one of the primary physicians for the Emergency Department at Lakeview Regional Hospital in Covington, Louisiana. Dr. Benton is also the owner of Cypress Pointe Urgent Care in Hammond, Louisiana. Dr. Benton will discuss how to evaluate and detect emergency symptoms and types of treatment that he routinely provides in conjunction with chiropractic care.

Dr. Eric Oberlander is a neurosurgeon with the Neuromedical Center in Baton Rouge. He is also affiliated with Cypress Pointe Surgical Hospital in Hammond. He is also affiliated with LSU athletics as a team neurosurgeon. Dr. Oberlander is a premier and highly sought after neurologist treating patients throughout the State of Louisiana and across the nation. Dr. Oberlander will discuss treatment of neurologic injuries, referral of patients with such conditions and the collaborative approach for care.

Tim Richardson is an attorney and holds a Masters of Business Administration. Mr. Richardson has been practicing law since 2001; practices across the state and serves as counsel for the Louisiana Sheriff's Association. Mr. Richardson keeps abreast of changes in the law; legal principals affecting chiropractors; and trends by insurers on chiropractic reimbursement. Mr. Richardson will discuss topics of ethics; legal updates; billing protocol and insurance vs. private/third party pay.

Dr. Lance Wehrly is an orthopedic physician specializing in joints and extremities. Dr. Wehrly has his own practice with Lakeview Physicians Group. Dr. Wehrly is also an orthopedic for Lakeview Hospital Emergency Department. Dr. Wehrly will discuss techniques to recognize orthopedic bone injuries which may require emergency or surgical intervention and other types of orthopedic conditions for which conservative care is more appropriate.

Dr. Chad Domangue is a neurologist and interventional pain management specialist. Dr. Domangue is an advocate for chiropractic care and recently appeared on television news educating the general public after a national news story adverse to a Georgia chiropractor occurred. Dr. Domangue will discuss common neurological and pain management issues that he faces and the collaborative approach he utilizes with chiropractic care for overall wellness of the patient.

Dr. GERALYN DATZ is President and Clinical Director of Southern Behavioral Medicine Associates. She is a licensed clinical psychologist who specializes in behavioral medicine. Dr. Datz is also a licensed Medical Psychologist in Louisiana. Dr. Datz will discuss mental health topics that all too often are left untreated. Dr. Datz will also discuss the types of trauma suffered by patients which create mental health injury; how chiropractors who have repeat interaction with patients can recognize such injuries and treatment options.

Mr. Ed Carrick is a professional engineer. He has testified in many legal proceedings including automobile incidents/slip and falls/product liability. Mr. Carrick will discuss techniques including reconstructing accident scenes. His discussion will assist chiropractors in determining mechanism of injury when the facts are not abundantly clear.
